

## CUSTOMIZING THE ONLINE STUDENT SURVEY

Campuses can add up to 5 institution-specific questions to the *Online Survey of Students' Experiences of Learning in LCs* for an additional fee of \$50.

Here are some customized questions learning community programs have added to the survey:

### EXAMPLE 1

What led you to enroll in an LC this past semester?

Classmates or friends who had taken a learning community  
 Instructors                       Advisors                       A written description of the LC  
 Other: \_\_\_\_\_

What is your overall opinion of the LC program? [text box]

What elements are strong? What elements need improvement? [text box]

What are your plans after completing this program? [text box]

What specific activities helped you to reflect on your learning? Choose all that apply.

Class-wide discussions     Small group/team work     One-on-one discussion with  
 Reflection essays             Homework assignments    classmates  
 Presentations                 One-on-one discussion with instructor  
 Other: \_\_\_\_\_

### EXAMPLE 2

Compared to other classes I've taken, in my learning community, I felt more motivated to learn.

Strongly agree             Agree                       Disagree                       Strongly disagree

Compared to other classes I've taken, in my learning community, I had more positive interactions with faculty.

Strongly agree             Agree                       Disagree                       Strongly disagree

Do you feel it was more useful to take your classes linked together than it would have been to take them as stand-alone courses? Why or why not? [text box]

What is the single most important thing you will take away from participating in your learning community this semester? [text box]

I am:  White     Hispanic     African-American     Asian     Native American  
 Multiracial                       Prefer not to answer
