

Cause and Effect Paper #3

Fall 2013

Your Cause and Effect Final Paper and WWB Statistics are due by the **BEGINNING** of class on **Wednesday, November 6th**. The final paper must be accompanied by WWB Analyses 1.1 Organization and Development, 1.3 Vague and Abstract, 2.1 Style, and 3.1 Verbs – To Be.

Turn your paper and WWB statistics in electronically via the Angel Dropbox. Hand in this assignment sheet at the BEGINNING of class on WEDNESDAY, NOVEMBER 6TH.

Using your Personal Wellness Stress Log, reflect on the stressors in your life. Write an essay that utilizes the cause and effect method of development to explain the causes of your stressors as well as the effects experienced due to those stressors.

Write an essay that:

- Creates an appealing attention getter.
- Uses concrete language.
- Uses generalizations and specific/detailed support to develop at least four body paragraphs.
- Utilizes the cause and effect method of development.
- Runs approximately 3 pages in length.

Your paper must follow these formatting guidelines:

- Times New Roman Font
- 12 point text
- 1" margins
- Double-spaced
- No title page

How your paper will be graded (*Note: Individualized points on how each essay element is scored is in parentheses (#)*):

Organization: motivator/attention getter (1), transitions (1), thesis statement (2), topic sentences (4), summative sentences (4), restatement (2), and clincher (1):

- Points Available : 15 points

Content: content, generalizations, detailed support, etc. in four body paragraphs (5/paragraph)

- Points Available: 20 points
