Lean In Collection

We are proud to present the Lean In Collection, a library of images devoted to the powerful depiction of women, girls and the people who support them. Jointly curated by Getty Images and LeanIn.Org – the women’s empowerment nonprofit founded by Sheryl Sandberg – the collection features over 2,500 images of female leadership in contemporary work and life.

A portion of proceeds from the Lean In Collection will go toward the creation of Getty Images grants for images showcasing female empowerment and to supporting the mission of LeanIn.Org.
