

Seattle Colleges District-wide Outcomes for the Integrated Studies AA Degree Requirement

Revised in Spring 2014

- **Investigate the interdisciplinary nature of knowledge through broad questions, issues or themes transcending single disciplines.**
- **Connect learning across contexts (cognitive/affective, personal/public, school/life/career) by integrating sources from multiple viewpoints and fields.**
- **Cultivate respect for divergent perspectives and a mutual responsibility for learning in a collaborative teaching and learning environment.**
- **Exhibit critical thinking through recognition of the ambiguity inherent in the study of complex issues and ideas.**
- **Demonstrate a developing sense of self as a learner, building on prior experiences to respond to new and challenging contexts**
