

LEARNING COMMUNITY COORDINATORS MEETING

SKAGIT VALLEY COLLEGE - MOUNT VERNON, WA

FEBRUARY 7TH, 2019

Tentative Agenda:

- 10:00 - 10:20 **Welcome Session**
- 10:30 - 11:20 **Building a BAS Program on a Foundation of Inclusion and Integration**
Skagit faculty and administrators will share about the successful launch of the BAS in Applied Management this year. A panel of students from this program will likely join us for this session.
- 11:30 - 12:20 **Integrative Learning in the Natural Sciences**
Skagit faculty will present on integrative learning options developed for science majors, pre-nursing students, and non-majors.
- 12:30 - 1:20 **Lunch**
- 1:30 - 2:30 **Concurrent 2-year and 4-year Roundtable Discussions**
These roundtable discussions will focus on current opportunities and challenges related to integrative learning at 2-year and 4-year institutions.
- 2:45 - 3:00 **Closing Session**
- 3:15 - 4:00 **WLCC Steering Committee Meeting**

Learning communities we are working to make available for observations before, during, and after the meeting include:

8:30	Psych-edelic Rock	(PSYC& 100 team taught with MUSC 127)
9:30	Write and Wrong	(ENGL& 102 team taught with PHIL 215)
10:30	The Chemistry of Life	(BIOL& 160 team taught with CHEM& 121)
10:30	Stats and Fats	(MATH& 146 team taught with NUTR& 101)
11:30	Clash of Civilizations	(ENGL& 102 team taught with HIST 242)
1:30	The Art of Biological Life	(ART 101 team taught with BIOL& 100)

We are also planning to add ENGL& 101 IBEST and Professional/Technical (Workforce) IBEST options to this list, but have yet to identify the specific sections that would work best for these observations.
